Dear Parent,

Greetings of the day!!

“A Recepte Has No Soul, You As The Cook Must Bring Soul To The Recepte”

Cooking is an art of making food delicious and suitable for consumption by the addition of ingredients in the right proportion. In order to make our students more aware of the process of cooking and to make them independent, the school has provided them a platform to learn new recipes which can be prepared with ease and absolutely without fire.

Not just cooking without fire, students will learn how to work in a team, at the same time learn to respect other's point of view.

The students have to dress themselves as professional chefs i.e. wear the chef's cap, an apron and make use of gloves so as to maintain utmost hygiene.
