

St. Rita High School
F.C.I. Widia Colony, Miyapur

Dt. 17/11/2022

Dear Parent,

Greetings of the day!!

In order to sharpen the vocabulary skills of students of grades I to VIII in a competitive manner, we are conducting "Spell Bee competition" on 30/11/2022. A spell bee competition is where the student participants are asked to spell a selection of words with varying difficulties. To participate in a spell bee competition, students must memorise the spellings of words knowing the root and origin. Such competitions help students improve their grammar and vocabulary while maintaining a competitive spirit.

Interested students can enrol in the competition by giving their names to the class teacher. The students will be filtered for the spell bee competition based on a preliminary round conducted in class.

Regards,

St. Rita High School
