Dear Parent,

Greeting to you all!

The inspiration and power of art play a vital role in enabling our children to enhance their creative talent and develop their artistic skills. Children naturally love art painting and drawing and express their feeling without words.

We at St. Rita appreciate the importance of Art and Drawing in building the kid's brain. S. Rita has organized '**Colouring Competition**' for the students from Grade I & III and **Drawing Competition** for the students from Grade IV to X on 18th April 2023, Tuesday. Students will be given the art paper from school but they need to bring their own colouring materials like crayons/ colour pencils for the competition. The criteria for the competition will be skills, colour application, colour combination and neatness. Two winners will be declared from each Grade and the report and result will be uploaded on website on 24th April 2023.
