Telangana is the youngest state in India and the day marks the constant Telangana movement History for a separate state through the years. It is observed on 2nd June.

To commemorate this event and pass this important information from generation to generation, our school is conducting Intra school singing competition on Telangana folk songs for grades **I to X**.

Folk songs are important to music because they give a short history of the people involved in the music.

Students who wish to participate can give their names to the respective class teacher on or before 20/06/2023.
